

Anthony Innocenti Jr.

Anthony's percussion career started in 2008 when he moved from New Jersey to Florida. His primary instrument was trumpet until the 2008 indoor season, at that time he became a full swung percussionist. He graduated from Allen D Nease HS in 2010. After graduating, he continued his performance career with Ancient City Ensemble from 2012-2014, consistently making A and Open(2014) class finals. In 2015 he aged out with Infinity placing top 5 in Independent World Class.

On the flip side of the activity, Anthony started his instructor career with St. Augustine HS in 2012 and Santa Fe HS in 2013. He then moved on to be the Percussion Director at Middleburg HS, overseeing both the marching and winter programs. Upon leaving Middleburg HS, he served as the Front Ensemble Caption Head for Fleming Island HS from 2015-2017. For the 2015/16 indoor season he also worked with Nease Open Indoor Percussion Ensemble. Anthony is currently the Front Ensemble Coordinator for the PIO organization Ancient City Ensemble. In his spare time, Anthony graduated from the University of North Florida with his B.A. in Psychology. He is very excited to be back working at Allen D. Nease HS serving as the Percussion Coordinator!
